I still don't know what I was waiting for  
But when I woke up I had hit the floor  
But it feels alright down here

The wrong thing is always easy, the right thing is never  
clear  
You can't always get what you want, but you might get  
what you  
fear

In Thailand cripples look for wanton whores  
They leave their children at the brothel door  
But it seems alright from here

The wrong thing is always easy, the right thing is never  
clear  
You can't always get what you want, but you might get  
what you  
fear

We sanitize our children's eyes and feed them up with  
all you  
lies x2

Your Scareanoia x2

The wrong thing is always easy the right thing is never  
clear  
You can't always get what you want but you might get  
what you  
fear
