I'd say I'm sorry
But I'm not sorry, things always work out for me
I got a smile like a Cheshire cat
that swallowed the canary
You say you're sorry
You're never sorry and things never work out for you
You think I lied you think I cheated
That's because you're defeated and depleted
Are you ready? Yes I'm ready
Are you ready? Yes I'm ready
Are you ready you're a screw worm baby
Whoa-oh, Hey!
I take delight in demolition
Leaving suicide open as an option
Anarchist, Nihilists
bookworms and Satanists
Right now (right now)
I'm a billboard disgrace
I want your head- want your pretty face
Right now (right now)
I want to end world peace
You wanted war, I gotta apocalypse
