Tremeloes - I Like It That Way

If you gonna steal my woman
Please take it quick and painless
I know I should but I couldn't
Stay just to hear you confess

I'd like it that way - I like it that way
Well I like it that way - I like it that way
Well, I may be a fool but I like it that way

If you gonna take my money
Take all you need and then go
you're maybe thinkin' it's funny
But I really don't wanna know

I'd like it that way - I like it that way
Yeah, I'd like it that way I like it that way
Well, I may be a fool but I like it that way

You can strip me from my country
Buy me a ticket to roam
If it doesn't work out for me
Buy me a ticket back home

You know I like it that way - I like it that way
I like it that way - I like it that way
Yeah, I may be a fool 'cos I like it that way

I like it that way - I like it that way
Yeah, I like it that way - I like it that way
Well, I may be a fool but I like it that way
