I picture the rain on windows
and I think of home.
I wonder if you remember
did you ever know ?

Walshie.

Places I dream about
I will be getting out
then I can follow the sun.
You will be with me
I know you will give me
a hand to get everything done.

Call me number one !
Call me number one !

Will I be afraid to tell you
that I'm coming home.
I'm ready to take the highroad
I've been away too long.
