18,000 Lira

18,000 Lira

18,000 Lira

18,000 Lira

Yeah, we've got guns, but they're antiques

They're rusted and they're broken

The Red Brigade made us give our bomb back

But we're going to do this bank job

And we're gonna do our very best

18,000 Lira

18,000 Lira

18,000 Lira

18,000 Lira

Enrique's got a head cold again

It's not his fault

He's a brave and valiant leader

He couldn't even get bus passes this time

Just scooters, very fast scooters

18,000 Lira

18,000 Lira

18,000 Lira

18,000 Lira

Sounds like a lot of money
