Don't cry, I finally escaped
Just pretend that I'm going into space

My time on earth was a lot of fun
The adventure has only just started
My time on earth was a lot of fun
The adventure has only just started

Everybody is forgiven
I'm heading of on a intergalactic mission
Help yourself to what you find
In the possessions that I leave behind

I'm sorry I didn't get a chance to say goodbye
I'm sorry there's some loose ends that still needs tying
I'm going out, way past the moon
Whatever time it is, I'm sure I left too soon

Goodbye, don't cry, goodbye, don't cry
Goodbye, don't cry, goodbye, don't cry
Goodbye, don't cry, goodbye, don't cry

(My time on earth was a lot of fun)
Goodbye, don't cry
(The adventure has only just started)

(My time on earth was a lot of fun)
Goodbye, don't cry
(The adventure has only just started)

(My time on earth was a lot of fun)
Goodbye, don't cry
(The adventure has only just started)

(My time on earth was a lot of fun)
Goodbye, don't cry
(The adventure has only just started)

Goodbye, don't cry
Goodbye, don't cry, goodbye, don't cry
