I know it's late but I can't sleep tonight,
'Cause I got something on my mind.
I could try one more time to turn out the light,
But I just can't make myself unwind.
'Cause every time I close my eyes I see your face,
And I find my eyes wide open, and I'm starin' into
space.
Some think it's been too long this time,
I can hardly stand another day.
With all the miles and miles between us
Can it be that tomorrow holds a promise
Of joy for you and me?

In A Little While I'll Be On My Way,
So hold on, baby, just-a one more day,
In A Little While I'll Be On My Way, to you.

Oh, yeah.
Come tomorrow I'll be home, and you can be satisfied,
'Cause we can leave this lonely life behind.
In the mornin' I can wake up with a smile
'Cause I'll be on my way back home to you,
Feelin' better by the mile.

In A Little While I'll Be On My Way,
So hold on, baby, just-a one more day,
In A Little While I'll Be On My Way, to you.
In A Little While I'll Be On My Way,
So hold on, baby, just-a one more day.
In A Little While I'll Be On My Way,
So hold on, baby, just-a one more day.
