Modern art makes me  
Want to rock out  
Modern art makes me  
Want to rock out

Modern art makes me  
Want to rock out  
Modern art makes me  
Want to rock out

So, I'm in the Tate  
And I'm looking at Hockney  
And wow, there's something  
Amazing about that blue

It makes me want to step outside  
I want to loosen my tie  
Sweet Jesus, my heart  
Is beating faster and faster

I'm palpitating  
I'm sweating  
I just can't help myself  
I just can't help myself

Modern art makes me  
Want to rock out  
Modern art makes me  
Want to rock out

Modern art makes me  
Want to rock out  
Modern art makes me  
Want to rock out

So, I'm in the Pompidou  
That's in Paris  
And the French, they're far more  
Laid back about their art galleries

There's little children  
Running around

I see a piece by Matisse  
That's my window of opportunity

I take five steps back  
I put my head down  
And I grab at it

Modern art makes me  
Want to rock out  
Modern art makes me  
Want to rock out

Modern art makes me  
Want to rock out  
Modern art makes me  
Want to rock out
