Friends, near complete family  
At times they don't understand me  
Birthday, Christmas they send all love  
We both know it's just not enough

I'd feel alive as part of a team  
St. Pauli hear me scream

Punk rock ist nicht tot  
Punk rock ist nicht tot  
Punk rock ist nicht tot  
Punk rock ist nicht tot

She can't say she loves me  
Even though it's plain to see  
I'm saying it to her  
So she can say it back to me

Sometimes our phone  
Isn't quite what it seems  
I'd have companionship  
As part of the team

Punk rock ist nicht tot  
Punk rock ist nicht tot  
Punk rock ist nicht tot  
Punk rock ist nicht tot

We are Hamburg school

Sorry if my accent's flawed  
I learnt my German from a 7 inch record  
Sorry if my accent's flawed  
I learnt my German from a 7 inch record  
Sorry if my accent's flawed  
I learnt my German from a 7 inch record

Punk rock ist nicht tot  
Punk rock ist nicht tot  
Punk rock ist nicht tot  
Punk rock ist nicht tot

The kids don't like it, the kids don't like it  
What else can we do when the kids don't like it  
The kids don't like it, the kids don't like it  
What else can we do when the kids don't like it  
Ahh, yeah
