So many bands are just putting it on  
Why can't they be the same as their songs?  
I can't help it, I'm so naïve  
Another record with my heart on the sleeve  
Is he as cool, as he writes them?  
Not always and hold that against him

I can't believe I've only just discovered the  
Replacements  
How have I only just found out about the  
Replacements?  
Some of them are nearly as old as my parents  
How have I only just found out about the  
Replacements?

I want to love them but I'm can't be sure  
I've been let down so many times before  
This time I really want to believe  
Another record with my heart on the sleeve  
I hope I've finally found a band  
That's not gonna let me down

I can't believe I've only just discovered the  
Replacements  
How have I only just found out about the  
Replacements?  
Some of them are nearly as old as my parents  
How have I only just discovered the Replacements?
