Kevin came home from school today with a, chipped  
tooth and blood on his shirt.

Kevin came home from school today with a, fat lip and  
a mouth full of dirt.

Girls don't like him, boys wanna fight him.

Oh. No.

Boys don't like him, girls wanna fight him.

Oh. No.

Change your name, it's a cliché

What a shame, it's a cliché

Now he's so cool (oooooh) wears his soul on the  
outside

Now he's so cool (oooooh) wears his soul on the  
outside

Upside down,

Left to right,

Keeps it up all night.

Last week, she attempted suicide, sixteen times,  
apparently she nearly died.

On the phone her mother cried

Eddie just, shrugged and sighed.

Girls don't like him, boys wanna fight him.

Oh. No.

Boys don't like him, girls wanna fight him.

Oh. No.

Change your name, it's a cliché.

What a shame, I'm a cliché.

Now he's so cool (oooooh) wears his soul on the  
outside.

Now he's so cool (oooooh) wears his soul on the  
outside.

Upside down,

Left to right,

Keeps it up all night.
