[Lil Cocca:]  
Am Livin My Life In Hell  
Livin My Life In Missery  
Cause All The Thing You Causes Now It Conjade On Me  
Yea The Hunt That You Can Move On  
Find Some One Better Than Me  
Some One Who Has The Right To See  
To Love You Better Than Me  
And You Don't Have To Worry Bout Me Cause I Will  
Move On  
And I Will Stay Strong  
Cause All The Pain Inside It Will Not Sosy  
But It Don't Matter Now  
That You're Gone  
Baby You're Gone  
And Am All Alone  
You Left Me Alone  
But Tell Me This Gurl  
Why Did You Let Me Go  
I Don't Understand Girl  
I Need To Know  
My Heart Is Broken Into Two  
All Because Of You Boo  
And Baby You Don't Know What Am Going Throught  
So Baby Tell Me This  
Why Did You Have To Let Meh Go  
I Gottah Know

[Chorus: Lady Preciouz]  
I Dun Know Baby  
Why I Left You In Misery  
Never Thought That A Girl Like Me  
Could Ever Put You Down

Ooooo No Oooo No  
Could Never Forgive My Self  
And Its Over Over....  
Why Did I Leave You

[Ladee Preciouz:]  
Baby I Dun Needa Know Why  
This Stoopid Act  
But I Decided To Go By  
I Know That I Make The Wrong Move  
And I Hurt You Its Tru  
And Now You're Moving On  
Being Stuck On Me Its No Use  
Baby Boy You're To Much Of A Homie To Me  
The One To Special To End  
Look At The Possibility  
If We Was Together  
It Could Mess It Up Forever  
As I Let You Go  
Don't Have It In You  
And Regret It Nuh Uh Never  
Cause Am Just Not Worth The Pain  
And Missery That Agging Me  
Should Be Wit Me  
So Please Just Let It Be  
Am Soory That I Maker You Feel This Way  
(Am So Sorry)Baby Am Sorry That I Just Gave My And  
Threw It All Away  
(Am Sorry Baby Am Sorry Ooh Oo)  
Baby I Left You All Alone  
Baby I Don't Know Why I Left You So  
I Don't Know Baby Why I Left You In Misery  
Never Thought That A Girl Like Me Can Put You Down  
Ohh Oowhoa Ohh Whoa  
Could Never Forgive My Self And Now Its Over Over....  
Why Did I Leave You

[Mr.Marker:]  
Girl I Know Is Time  
That This Love Could Never Lasted  
Now That You're Gone Baby My World Has Compress  
You Got Me Askin How Exactly Did This Happen  
Now Tell Me This Is This The Way I Was Saggin  
And I Know You Be Nagging  
But I Did All I Can  
And If You Need More Attention  
You Should Have Told Me Am Lackin  
And Every Time We Go Wak  
Lets Just Some How Am Haven  
Some Time I Left Behind Me I Could Hear The Door  
Slammin

Every Time That You're Mad  
You Probably Think That I Treated You Bad  
But Please Understand  
I Could'nt Stand Seeing You Like That  
Am Outtah Brovery Ganging  
From Mostly Holla Ur Hain  
Cause I Know I Was Loosing You  
But I Could Still Manige  
Now Its Time To Move On And Let The Past Be The Past  
But I Still Don't Know Why You Never Answer Baby Girl  
I Don't Understand You Had To  
But Without Me I Hope You Live In Happyly Ever After

[Lady Preciouz:]  
Baby I Don't Know Why  
But I Know To My Self I Was Lying  
Hurt Most Of  
Sitting By My Self Crying  
All Alone Cause I Let You Go  
The Reason Baby Don't Know  
I Don't Know Whoa Oooh  
I Don't Know Baby  
Why I Left You In Missery  
Never Thought Hat A Girl Like Me  
Can Ever Put You Down Ooo No Ooo No  
Could Never Forgive Myself And Its Over Over  
Why Did I Leave You
