Hey boy you talk too loud
Go out and make your mother proud
I got my hat and red light waiting
To the car and I'm not playing
Rock n' roll you've been misleading
Sure you're right but i'm not leaving
I'm gettin bored with pepper spray

Hey you, you only love me when i'm down
Fuck me, play yourself we'll mess around
On you, gazebo life you got me down
My pool, swim in this place and you'll drown

The only night that i can't have fun
I get a boner with my gun
Drunk kids you really bug me
Four hundred dollar reef well it might be

Loud show - shit waitin to happen
Write a letter, complain to the casket
Read through my town, my town is best
'Michael Hemens, you're under arrest!!'

Hey you, you only love me when i'm down
Fuck me, play yourself we'll mess around
On you, gazebo life you got me down
My pool, swim in this place and you'll drown

Hey boy you talk too loud
Go out and make your mother proud
I got my hat and red light waiting
To the car and I like playing
Rock n' roll you've been misleading

Hey you, you only love me when i'm down
Fuck me, play yourself we'll mess around
On you, gazebo life you got me down
My pool, swim in this place and you'll drown
swim in this place and you'll drown
swim in this place and you'll drown
Yeah
