Ya try to think of a human  
civilization and everybody's cryin'  
"how are we to explain things?",  
easy,easy  
Neurotic, psychotic and anxious,  
has a dream about human  
language and finally find the  
words to say, easy easy  
Confessions kill you over time  
Confess your love leave me  
behind

Chorus:  
Keep me up all night like a saint  
in the twilight hour  
I don't need no one, I just  
want someone to lie

Maybe in my tomb I'll evade  
the madness, reinvent and  
sculpt and package find a  
luminary plain, easy easy  
Confused by the blandness and  
the trials of hurt and sadness and  
not knowing anything, easy easy  
Confessions kill you over time  
Confess your love leave me  
behind

Chorus 2x

Try to think of a human civilization  
and everybody's cryin' "how are  
we to explain things?", easy, easy  
Neurotic, psychotic and anxious,  
has a dream about human baggage  
and finally throws it all away

Chorus 2x

(Repeat to end)
