Wake up to the sounds of the century
They got a long way to go to gain on me
It's all right

The years are coming down like the dirty leaves
I'm gonna plant my seed in history
It's alright, I love my dream
Alright

Hold me in your arms
Hold me in your arms
Hold me

You think you've seen it all but you'll never see
You gotta open up your eyes and come with me
It's alright

Everybody thinks they're the only one
Buy my mother was a virgin of the seventh son
It's alright, I love my dream

Hold me in your arms
Hold me in your arms
Hold me in your arms
Hold me in your arms
We are one
We are one
We are one

I will not back down to anything or anyone
You cannot contend cause in my head I'm number one
It's a mad mad world but baby what you gonna do
You just watch your back, I'll watch mine too

Hold me in your arms
Hold me in your arms
Hold me in your arms
Hold me in your arms
We are one
We are one
We are one

We are one
