Tomorrow's always far away  
When you're stuck in yesterday  
And this old town keeps you locked up and lost inside  
It draws the lines upon your face  
It makes you old before your day

Though it's raining don't stay in  
No escaping we are destined

My heart is not the type to sway  
It's good for any other day  
So, If you say that you will stay and you'll be mine  
Oh I'll make everything ok  
I'll push the hurting world away

Though it's rainin don't stay in  
No escaping we are destined

I'm right on time  
I'm making sunshine  
I'm making sunshine

I'm right on time  
I'm making sunshine  
I'm making sunshine

There was a time I was afraid  
I let my strength and spirit fade  
But now is the time to stand aware and take what's  
mine  
The lesson's done my dues are paid

I'm right on time  
I'm making sunshine  
I'm making sunshine

I'm right on time  
I'm making sunshine  
I'm making sunshine

I'm right on time

I'm making sunshine  
I'm making sunshine  
Sunshine  
Sunshine  
Sunshine  
Sunshine  
Sunshine
