"Not Ready to Go"

It's never ending, as far as I know
But there's a doubt you feel, between us both
You're grounded daily, I'm on a cloud
I float up every night, as you come down

I'm not ready to go

Are you unhappy, or are you low?
I should be leaving but I'm not ready to go

I'm not ready to go

Even if you think I'm crazy, drunk, and stoned
I don't wanna be messed up alone

There's nothing wrong here
There's nothing wrong here
There's nothing wrong here
There's nothing wrong....

I'm not ready to go
