Hey sing a bad song  
Get it stuck in your head  
I'm singing along  
Can't help it  
Kids starting to whine  
Exploding my mind  
Satan get me behind  
I'm saturated  
It's closing in on me  
It's closing in on me  
It's closing in

If you see something don't  
Say something to me  
I'm a paranoid freak  
Already  
I'm a man on the brink  
I've had too much to think  
I'm a paranoid freak  
Already

Joe, Average guy  
Needs more things to buy  
Spoon feed me a lie  
I'll eat it  
I'm on a bad trip  
Too many loose lips  
All rocking my ship  
I'm sinking  
It's closing in on me  
It's closing in on me  
It's closing in

If you see something don't  
Say something to me  
I'm a paranoid freak  
Already  
I'm surrounded by freaks  
Closing in on me  
I'm a paranoid freak  
Already

If you see something don't  
Say something to me.  
I'm a paranoid freak  
I'm a paranoid freak  
Ahhhhhhhhhhh

Is this freedom information  
Or is this mass intimidation  
In the land of the free  
Stand on god above me  
I'm a vigilante  
I'm captivated

If you see something don't  
Say something to me  
I'm a paranoid freak  
Already  
I'm a man on the brink  
Give me something to treat  
I'm a paranoid freak  
Alright  
If you see something dont  
say something to me  
I'm a paranoid freak (x 10)
