

Trews, The "Tired Of Waiting"

Visit "[Tired Of Waiting](#)" on MotoLyrics.com

I am wired and fading
looking blind and blaming
Following and trailing
words you might be saying

Chorus:

I am tired of waiting
I'm tired of waiting
I am tired

Altered expectations
long anticipation
Everything is changing
I'm the same and aging

I'm tired of waiting

Chorus 2x

I am tired of the long way down

So I stand to let you down
here alone
I can't seem to dream of you
no more

Chorus (repeat to end)
