Apocalypse horizon, dead trees on rough terrain.  
With rocks to keep your eyes on, dark clouds threaten  
rain.

If I die all alone and you endowed will I see you again.  
On your own or in this crowd safe inside these walls  
and...

Witness this endless falter.  
As poison drifts through water.  
In my cup in my finest hour.  
Give in sit down, Why Bother.  
Why Bother.

It wont be long, before we sink into the scene.  
I hope not to be long, I want to come clean.

Witness this endless falter.  
As poison drifts through water.  
In my cup in my finest hour.  
Give in sit down, Why Bother.

Witness this endless falter.  
As poison drifts through water.  
In my cup in my finest hour.  
Give in sit down, Why Bother.
