

Trews, The "Yearning"

A moment in time, despair and fear, nothing's ahead,
you are right here,
Near is the pain, tragedy changing you dear?
Catastrophe, everything's gone, nothing today, was
agreed upon,
You had no choice, as you watched the curtains be
drawn,

Hands in the air,
Prayers and hymns,
Everyone's here,
It's time to begin,
All that was there, and what might have been,
Is no longer here, it's time to begin,

Yearning,

The hour is late, it's almost dawn, without an end, we
can't go on,
As dark as it seems, soon you will see the days sun,
Perchance to dream, there is the rub,
Permanant sleep, nice dreams will come,
Try to have faith to carry you on as you run,

Hands in the air,
Prayers and hymns,
Everyone's here,
It's time to begin,
All that was there, and what might have been,
Is no longer here, it's time to begin,

Yearning,
Yearning,
Yearning, and hurting,
Learning,

Waiting for will it take you, taking all your time,
Waiting for will it take you, taking all your time,

Yearning,

Hands in the air,
Prayers and hymns,
Everyone's here,
It's time to begin,
All that was there, and what might have been,
Is no longer here, its time to begin,

Yearning,
Yearning,
Yearning,
Yearning...
