I dont understand
Why?
See its burning me to hold onto this
I know there's something I gotta do
But that don't mean I want to
What I'm trying to say is
That I....love you, I just
I dont know
Its just coming to an end
Then it's better for me, to let go now
Then to hold on, and let it hurt
I gotta let it burn

It's gonna burn for me to say this
It's coming from the hurt
It's been a long time coming
But we've been and fell apart
I really wanna work this out
But I dont think it's gonna change
You do but I dont
I think it's best we go our separate ways
I'm the one who's been hurt in this relationship
I ain't happy baby, always lonely baby
Cause there's so many other things you gotta deal with
I think that we should let it burn

When you feeling aint the same and your body just
dont want to
But you know you gotta let it go
Cause the party aint jumping like it use to
Even though this might bruise you
Let it burn
Let it burn
Gotta let it burn

Deep down you know it's best for yourself but you
Hate the thoughts of a man with someone else
But you know thats its over
We know that its true
Let it burn
Let it burn
Gotta let it burn

Sending pages I aint suppose to
Got somebody here but I want you
Cause the feeling ain the same
Find myself, cal-ling your name
Fellas tell me do you understand?
And all my ladies do you feel my pain?
It's the way that I feel
I know it's too late
Gotta do what is the best
I can't go running back
What I gotta do now
To get my baby back?
OooOooOooh
I just dont know how I'm gonna do without my Boohoo
You've been gone for too long
It's been eleve days, umm-teen hours
I'mma be burning till you return

When you feeling aint the same and your body just
dont want to
But you know you gotta let it go
Cause the party aint jumping like it use to
Even though this might bruise you
Let it burn
Let it burn
Gotta let it burn

Deep down you know it's best for yourself but you
Hate the thoughts of a man with someone else
But you know thats its over
We know that its true
Let it burn
Let it burn
Gotta let it burn

I'm twisted cause one side of me is telling me that I
need to let it go
On the other side I wanna break down and cry
OOoooh
I'm twisted cause one side of me is telling me that I
need to let it go
On the other side I wanna break down and cry, cry
Ooo Oo Oo
Oo Oo Ooo
Ooo Ooo Ooo
Can you feel me burning?
Ooo Ooo Ooo
Ooooo OoooOoh

So many days, so many hours

I'm still burning til you return

When you feeling aint the same and your body just
dont want to

But you know you gotta let it go

Cause the party aint jumping like it use to

Even though this might bruise you

Let it burn

Let it burn

Gotta let it burn

Deep down you know it's best for yourself but you

Hate the thoughts of a man with someone else

But you know thats its over

We know that its true

Let it burn

Let it burn

Gotta let it burn
