You Say Your Not Okay With Change
But Then You Turn Around And Walk Away
And Leave Me For A Stranger
What Does She Have That I Dont Have?
Does She Kiss You Like I Kissed You?
Babe Or Miss You Like Im Missin You?
You Said Your Not Okay With Change
But Then You Turned Around And Walked Away
And Left Me For A Stranger
you say ur not ok with change
but then you walk away
and leave me for a stranger
wat does she have that i dont have
does she kiss you like i kissed you
babe or i miss ayou like im missing you
I Know That I Can Get To You Somtimes
I Know That I Somtimes I Make You Cry
I Swear To God Im Crying
Now That You're Gone From Me
Why Is It That I ****Need**** The Beauty In Your Eyes?
But You Dont Realize
What You Did When You Said Goodbye
Please Dont Leave And Make Me Cry
Never Good At Good-Byes
Especially From You

Its Crazy

I Never Thought I'd Be Your Lady
There I Was Right By Your Side
Then You Played Those Games
And You Messed Me Up
How Could You Leave A Girl When You Tell Her Your In
Love?

You Said Your Not Okay With Change
But Then You Turn Around And Walk Away And Left Me
For A Stranger
What Does She Have That I Dont Have?

Does She Kiss You Like I Kissed You?
Babe Or Miss You Like Im Missin You?

You Said Your Not Okay With Change (With Change)
But Then You Turned Around And Walked Away
And Left Me For A Stranger

You Said Youre Not Okay.. (With Change)
But Then You Turn Around
And Left Me For A Starnger

I See You Walkin Down The Street (The Street)
And Its Killin Me (Killin Me)
Wish It Was Me Rite There Wit You
But Instead She's Holding You (Holding You)
You Dont Understand
The Way I Feel About You
And It Does'nt Matter No More
Cuz I Know Iver Already Lost You
But I Want You To Know
One Thing You Meant The World To Me (Meant The
World To Me)
You Were My Everything
Ill Never Forget Anything...

You Say Your Not Okay With Change (With Change)
But Then You Turn Around And Left Me For A Stranger
What Does She Have That I Dont Have? (What's She
Have That I Dont Have)
Does She Kiss You Like I Kissed You?
Babe Or Miss You Like Im Missin You? (Does She Miss
You Like I Miss You)
You Said Your Not Okay With Change
