Baby I Just Want You To Stay By My Side,  
Since The First Day I Saw You, I Knew-Ew-Ew-Ewww,  
There's Never A Day Without You,  
I Will Never Be Complete Without You.  
Now When Your Next To Me,  
I Wouldn't Want It Any Other Way,

Through The Ups And The Downs,  
I Wanted U To Form The World,  
Im Always Going To Have You In My Heart,  
I Knew This From The Very Start,

You Would Always Mean The World To Me,  
Without You My Life'd Be Incomplete,  
Ooooo.. Baby,  
U Kno I Always Love To See You Smile,

A Little Step Closer,  
Your Always Asking Me,  
I Just Want You To Know One Thing,  
Oooo.. Baby,

Baby, I Just Want You To Stay By My Side,  
Since The 1st Day I Saw You,  
I Knew-Ew-Ew-Ewww,  
Theres Never A Day Without You,

I'd Never Be Complete Without You,  
Now When Your Next To Me,  
I Wouldnt Want It Any Other Way,

I'll Always Remain True To You,  
You Should Of Known It From The Very Start,  
Baby Boy Can U Feel My Heart Beat?,  
Its Beating, For You,  
Can U Feel My Lonesome, Bout You,  
Baby Boy Its All For You.

Baby I Just Want You To Stay By My Side,  
Since That First Day I Saw You, I Knew-Ew-Ew-Ewww,  
There's Never A Day Without You,  
I Will Never Be Complete Without You.

Now When Your Next To Me,  
I Wouldn't Want It Any Other Way,

Baby Boy Can U Feel My Heart Beat?,  
Its Beating, For You,  
Can U Feel My Lonesome, Bout You,  
Baby Boy Its All For You

Oooo... Its All For You...  
Oooo... Baby...
