Under Construction*

Oooh la la la

na na na na

na na na

So many lonely nights

All the fights

and all those times, you told me

you love me, you love me

Wonderin why, would you make me cry

Cuz all those times, i should have got up

and left you but i stayed

i learned that your only concern

was concerning you?, cuz i learned your concern.....

if i can live without you?

I thought i would never have the strength

to leave, thought that you would never decieve me,

never decieve me

All i know is one thing babe

i found my strength to Breathe.....
