I wanna make you the right one
Don't wanna be lonely
Smile, cos you know we're getting on

I wanna make you my bright onw
Why be a stranger when we know
We belong, yeh we belong
Waiting for you has taken all my life
Such a long time, I went out of my mind

Eh Oh A Ba De Oh
A Be De Oh Na Na Na Na Na Na

I need you to be on my side
The one and only reason
It's good to be alive

I need you to be in my sight
I wanna be with you
Feeling everything will be alright

Waiting for you has taken all my life
Such a long time I went out of my mind

Eh Oh A Ba De Oh
A Be De Oh Na Na Na Na Na Na
