Liberty, this is our destiny,
Liberty, this is our destiny,
As long as were keeping our dignity,
As long as were keeping our pride,

We can all build a new history,
We can all build a new history,
Feeling like something has set me free,
Knowing I belong in the tribe,

I believe in you and I,
That together were the guiding light...

Abe Messiah Eeya,
I'll be here for you night and day,
Abe messiah Eeya,
Ohh Just look this way...

I can dream my heart is telling me,
I can dream my heart is telling me,
I have seen this world of love and peace,
I have breathed the air of life.

We've arrived and can do anything,
We've arrived and can do everything,
Now's the time for us to celebrate,
Now's the time to be alive.

I believe in you and I,
That together were the guiding light...

Abe Messiah Eeya,
I'll be here for you night and day.
Abe messiah Eeya,
Ohh Just look this way...

Ooh just look this way...

Abe Messiah Eeya,
I'll be here for you night and day,
Abe messiah Eeya,

Ohh Just look this way...
