(African chanting)

Listen to the wind blow
Look inside what does it show
Time passing so very slow
I see...

All the tears, all the pain
Echoes of the past, still the same
The sun shining on all the shame
I see...

Dark clouds across the sky
Children asking why
Is there hope above for me

Where is all the love
Can the spirit shine within me?
Lighten my life
Let it be...

(African chanting)

The dawn of a new day
A child is born who will pray
For hope, peace and love
What do they say

I'm in your heart, feel me
I'm in your soul, believe in me
Open your eyes and you will see me

The Gods of time
Are they yours or mine
Out of the darkness
A light will shine...

The spirit of the tribe
Is yours and mine
Out of the darkness
A light will shine

Shine on me

(African chanting)

The dawn of a new day
A child is born, who will pray
For hope, peace and love
What do they say

I'm in your heart, feel me
I'm in your soul, believe in me
Open your eyes and you will see me

The spirit of the tribe
is yours and mine 2x
