I've been on the run
Felt like my ship was sinking
Now look what you've done
Now that my heart is singing

And everywhere you go
I can't help myself thinking
It's better you know
That to me you are everything

And Now for the first time
I realize and I find
I don't have to decide
What's wrong, what's right
(Because...)

I love the way
You make me feel
That you belong to me
And I belong to you

My troubles are gone
With the air I am breathing
Look what you've done
Now that you got me reeling

You're on my mind
With the things that you said to me
I'm starting to find
That your touch is my remedy

And Now for the first time
I realize and I find
I don't have to decide
What's wrong, what's right
(Because...)

I love the way
You make me feel
That you belong to me
And I belong to you

I love the way
You.....

I love the way
You make me feel
That you belong to me
And I belong to you (ain't Nothing wrong, 'cause you
belong to me, to me)

I love the way
You make me feel
That you belong to me
And I belong to you (ain't Nothing wrong, 'cause you
belong to me, to me)

And I love the way
You make me feel
That you belong to me
And I belong to you (ain't Nothing wrong, 'cause you
belong to me, to me)
