bullet shots, empty shells, everything's okay tonight  
I'll just wake up tomorrow  
quiet nights, empty glass  
if you'll grant me my last wish  
I don't want to wake up tomorrow  
I don't recall ever asking you to be there in the end  
maybe my songs will taste better with a...  
be there in the end  
laugh out loud, you did your worst  
I'll just take this as my chance to leave this trench  
behind  
quiet nights, empty glass  
it's just me in my life  
and I won't wake up tomorrow
