girl in the photograph
in this one you laugh
but I've never seen it in any other one but that
girl I know it's been hard
nineteen years for what?
doors I'd open but they've already been glued shut
when we fall down
break our backs to turn around
watching,
waiting,
breaking before my eyes
and if it's worth a thousand words
all of which are lies
I've seen it all before
it was all in your eyes
tell me what you need
I'll do what I can for you
it's all I've ever done
I think you know that is true
