## "How Many Times? (English)"

Visit "[How Many Times? \(English\)](#)" on MotoLyrics.com

[HOOK]

How many times, are you going to leave and then  
come back?  
How many days, do I have to wait without a word from  
you?  
I don't have the strength to hold you back anymore  
I must be getting weary  
The words, love changes, must be true  
I guess I have to let you go this way

[TEDDY]

Will you listen to me just for today, baby girl  
Understand, these are words that were hidden by  
sighs  
From the start, we didn't get along  
Our love wore out during our small and big fights  
Suddenly you'll say it's over, and tell me I won't  
see you even if I die  
One day, one month, there weren't any calls from you  
Anyone can see you're a drama queen inside a movie  
I'm just a manikin without any expressions  
The love you talk about is childish  
I don't feel anything when your relentless tears fall

How many times are you gonna cry?  
How many times are you gonna lie?  
How many times are you gonna say good bye?  
How many times...

[HOOK]

How many times, are you going to leave and then  
come back?  
How many days, do I have to wait without a word from  
you?  
I don't have the strength to hold you back anymore  
I must be getting weary  
The words, love changes, must be true  
I guess I have to let you go this way

U just don't understand, U need another man.  
It's not the way I planned for you and me No No.

[JINHWAN]

Your voice, every night you're drunk  
Your face, tells me I'm not enough for you  
You keep pushing our love away

I've never bought up anything with you  
With good bye, I'll bring this up

[BAEKYOUNG]

This crooked love is too tough for me  
I will forget this weary form of mine  
My broken heart will be okay without you  
I don't like being without confidence, this part of me  
is a fool

[JINHWAN]

Our meaningless, endless fights  
Has left pain that hurts me deep inside

How many times are you gonna cry?  
How many times are you gonna lie?  
How many times are you gonna say good bye?  
How many times...

[HOOK]

How many times, are you going to leave and then  
come back?  
How many days, do I have to wait without a word from  
you?  
I don't have the strength to hold you back anymore  
I must be getting weary  
The words, love changes, must be true  
I guess I have to let you go this way

You just don't understand, you need another man.  
It's not the way I planned for you and me No No.

[Bridge]

Without a change, I was alone from the beginning  
Why didn't you take in someone who only cared about  
you?  
Even if you try to go back, it's too late  
My mind is already trying to erase you

[HOOK]

How many times, are you going to leave and then  
come back?  
How many days, do I have to wait without a word from  
you?  
I don't have the strength to hold you back anymore  
I must be getting weary

The words, love changes, must be true  
I guess I have to let you go this way
