[Verse 1]

(teddy)-do you wanna ride?
Jump in my seat we got them honeys fallin bangin at
this beat and ni
***s who be ballin know this shit aint cheap and
If your ass is wallin shit is obsolete what rolla?
Play I never told ya, schemin, now I'm comin for ya
beamin
(check this shit out) no matter how yg go-all dopes
legal-click
Here to see mo' it's all like jaw tight
(danny)-takin you to class a, I got that ass play,
Shake a sucka down until he cry for may-day now
What'chu do in thinkin you could ever play me, d-a
doublen-y,
Bring you to your misery fall guy type shit-all I like shit-
call mine
Tight shit squeezin on my mic shit-diggin on the shit
that you
Want now where my n***s is from,
Form the top to your dock spark one whut!
Hook ready or not yo! (here we come) more style,
profile,
To make you all bounce (my crews' gonna get down to
it)
The world is mine! ready or not yo! (here we come)
more style, profile,
Tomake you all bounce (your crew can't begin to do it)
the world is mine!

[Verse 2]

(perry)-think that you can handle this?
Sylvester rambo this? wanna fuckin battle this?
Microphone vanda list, yall scandalous
We show'em how yg do it in two thou and yall nuttin
But meanwhile! and yall aint shit!
T'm talkin to you-bust lip bout'me conse quence get
paid no coubt I'm doin
What I'm suppose to do, stick and move stick! stick!
Now you blackn' blue tell me who dat clappin you in the
night time
When you smackin boo-all up in the corner by trappin

You 3-2-1 I'm blastin you, see no one passin you,
This is how it go when a sucka mutha-fucka think he
slickin you bah!
Barah-bah bah bah! (now what mutha fucka!)
Hook ready or not yo! (here we come) more style,
profile,
To make you all bounce (my crews' gonna get down to
it)
The world is mine! ready or not yo! (here we come)
more style, profile,
Tomake you all bounce (your crew can't begin to do it)
the world is mine!

[Verse 3]

(jinusean)-hah! we thought we told yall,
The flo aint ever gon'stop you know we showed yall,
Nomindeez bie eenie meenie hmm now who the fuck
the winner gon'be...
Yg! shit is off the hook like you shook like
What it look like aint you konw it's all'o'way
Down to the book life neversee me! be me or double
team me!
You comin close but your flows' comin kinda
Teeny weeny-we on some other shit like (whut! whut!
whut!)
That bangin butter shit so (duck! duck! duck!) feel
widit aint no
One can feel widit don't sweat that js swingin like a
ballbat not a
One mc can call cat (yeah das the shit right there!)
rockin all dat
It's on-lockin this triple 0, and got you shakin yarump
Now what'cha-gon'do, when my shocka-snatch you,
Better get a new plan cuz you gone!
Hook ready or not yo! (here we come) more style,
profile,
To make you all bounce (my crews' gonna get down to
it)
The world is mine! ready or not yo! (here we come)
more style,
Profile, tomake you all bounce (your crew can't begin to
do it)
The world is mine!
