Party people let me take it up!

I can feel it in the air pepole smilin' everywhere Fill up my cup turn it up don't stop untill we say We came to party tonight we're goin' all the way Yeah Yeah Yeah

I wanna celebrate and leave my troubles on the side The world is spinin' and i got to ease my mind No need to think just leave it all behind Yeah Yeah Yeah throw your hands to the sky!

Cause I wanna see you moving tonight Girl let me see you do it tonight Won't stop untill we see the sunlight Toda la noche

Bailando bailando amigos adios, adiós el silencio loco Bailando bailando amigos adios, adiós el silencio loco

Party pepole let me take it up!

Don't think about tommorow
Live your life and let it go
When the music drops
Lose it just forget it all
No need to think, oh let that love inside
Yhea yhea
Throw your hands to the sky!
