Recall the day...
Remember the place...
Betraying a girl is easy...
Or so I thought...

And then you keep me hanging on
Bewitched love I feel for Lena

Girl since you whispered your name
It just keeps hanging in my brain
I've tried to ignore for too many years
All those time soared echoes in my ears

Ooh, yoh, oho Lena (Lena, Lena)
Feel this melody (Lena, Lena)
Oh, yoh, oho Lena (Lena, Lena)
Hear that voice in me (Lena, Lena)

A name of the girl has made for a song
The song is hanging on the name of the girl
Only for you I have broken this chain
Hope before I die it'll be fixed again

Ooh, yoh, oho Lena (Lena, Lena)
Feel this melody (Lena, Lena)
Ooh, yoh, oho Lena (Lena, Lena)
Hear that voice in me (Lena, Lena)

SchÅ¶ne Alfenfee, zwei Sterren in der Nacht
Zwischen Bergen Å¼ber StrÅ¶men ich hÅ¶re dein
lachen
Umkranste Edelweiss, drei Blumen in das Feld
Du bist mein Kerker und mein Himmelreich

Ooh, yoh, oho Lena (Lena, Lena)
Feel this melody (Lena, Lena)
Ooh, yoh, oho Lena (Lena, Lena)
Hear that voice in me (Lena, Lena)

Recall the day...
Remember the place...
Betraying a girl is easy...

Or so I thought...

And then you keep me hanging on
Bewitched love I feel for Lena
