Her life stands still
She waited for herself
She tried to forget
What she once was
This way was too long
She can't find herself
And her life changed
And her life changed

She found a new desire
And could not get enough
She says "I'm deranged"
It's too hard for me

The moon danced around her
She felt so alive
Showed what she could be
She flew too high
Into empty skies and
She layed down into the stars

Her life stands still
She waited for herself
She tried to forget
What she once was

I'm deranged
It's too much for me
Pushed me down
It's something in my mind
Nobody can heal me
I found a new desire
And could not get enough

She dreamed herself away
This life seemed not real to her
Made wrong decisions
And can't find a way out
She ruined herself
And did not see what went wrong
This is not meant for her

This is not meant for her

She found a new desire
And could not get enough
She says "I'm deranged"
It's too hard for me

The moon danced around her
She felt so alive
Showed what she could be
She flew too high
Into empty skies and
She layed down into the stars
