"You have now reached the audience participation portion of our album. This is an old sing-a-long song, and what we'd like for you to do is listen to the chorus of this song, and then we want you all to sing along."

A Sultan sat on his oriental mat, in his harem in downtown Persia,  
He took a sip of coffee, just a drip, and he said to his servant Kersia,  
"Ah, curse ya, curse ya, curse ya! That's the worst cup of coffee in Persia!"

Cause...

All I want is a proper cup of coffee, made in a proper copper coffee pot,  
I may be off my dot, but I want a proper coffee in a proper copper pot.  
Iron coffee pots and tin coffee pots, they are no use to me!  
If I can't have a proper cup of coffee in a proper copper coffee pot, I'll have a cup of tea!

"Ya got it? well join right in!"

In days of old when knights and men were bold, and whiskey was much cheaper,  
Burt Turpin rode to a coffee shop and showed his pistols to the keeper,  
He said, "Stand and deliver! Can't you see that I'm all aquiver?"

Cause...

All I want is a proper cup of coffee, made in a proper copper coffee pot,  
I may be off my dot, but I want a proper coffee in a proper copper pot.  
Iron coffee pots and tin coffee pots, they are no use to me!  
If I can't have a proper cup of coffee in a proper copper

coffee pot, I'll have a cup of tea!

When Bonaparte found that he was in the cart and he  
lost that Waterloo fight,  
He gave his sword to Wellington, my Lord, and he said  
"Those British can't half fight!  
Now you've had your Waterloo, sir, tell me what am I  
having with you, sir?"

Cause...

All I want is a proper cup of coffee, made in a proper  
copper coffee pot,  
I may be off my dot, but I want a proper coffee in a  
proper copper pot.  
Iron coffee pots and tin coffee pots, they are no use to  
me!  
If I can't have a proper cup of coffee in a proper copper  
coffee pot, I'll have a cup of tea!

"Well, we didnt exactly expect you to sing along with  
that last part since  
it was in French. This is your last chance, however it is  
the people's magazine  
version of this song, and it goes like this:"

Now King Solomon and his queen would carry on, so  
we heard in the ancient scandals,  
He bought her lots of silver coffee pots with diamond  
legs and handles,  
And said the Queen of Sheba, "I'd rather have any old  
tea-bag."

Cause...everybody!

All I want is a proper cup of coffee, made in a proper  
copper coffee pot,  
I may be off my dot, but I want a proper coffee in a  
proper copper pot.  
Iron coffee pots and tin coffee pots, they are no use to  
me!  
If I can't have a proper cup of coffee in a proper copper  
coffee pot, I'll have a cup of tea!

(speeds up here)

All I want is a proper cup of coffee, made in a proper  
copper coffee pot,  
I may be off my dot, but I want a proper coffee in a  
proper copper pot.  
Iron coffee pots and tin coffee pots, they are no use to  
me!  
If I can't have a proper cup of coffee in a proper copper

coffee pot, I'll have a cup of tea!

All I want is a proper cup of coffee, made in a proper  
copper coffee pot,

I may be off my dot, but I want a proper coffee in a  
proper copper pot.

Iron coffee pots and tin coffee pots, they are no use to  
me!

If I can't have a proper cup of coffee in a proper copper  
coffee pot, I'll have a cup of tea!
