I see my shadow in her eyes
the way she walks like a cat on the street
she's in her shoes that know her feet
look at her dressed like a butterfly

God's smile on her face made her the most beautiful
queen
age can't steal her smile and the beauty of her brown
skin
yeah x 5 whoa

Miss Nigeria when i look in your eyes i see the star
shining down on my face from where you are
please take me to your heaven near or far
Miss Nigeria you're my beauty queen of the universe
everywhere i go i see your face
you make me feel like you are my idol
Miss Nigeria world
I'm a Nigerian

She wears a beautiful crown
she don't want her feet to touch the ground
her mesmerizing voice and when she talks she takes
my soul away
i really love her picture on the cover of a fashion
magazine

God's smile on her face made her the most beautiful
girl
age can't steal her style and the beauty of her dark hair
yeah x5 whoa
