So many years ago when you came into my life

your tender kisses  
your sweet lips  
forever you'll be mine.  
Lovers need to give  
to share their time in all the things they do

this common feeling deep inside  
that's why I'm loving you.

Lovin' you all the time  
lovin' you after all this time

lovin' you all the time

I am still in love with you after all this time.

I'm still in love with you after all this time

what your love has done to me made my heart just  
smile.

Lovers need to give  
to share their time in all the things they do

this common feeling deep inside  
that's why I'm loving you.

Lovin' you all the time  
lovin' you after all this time

...

Lovin' you all the time  
lovin' you after all this time

lovin' you all the time  
lovin' you after all this time

lovin' you all the time

I am still in love with you after all this time.
