You don't know me well  
You have hardly seen my face  
But something tells me it's true  
I've let my heart fall for you

I don't know but somehow  
You put a spell on my heart  
And then I see it's true  
I've let my heart fall for you

I know what you\* think, crazy him  
I hope you understand  
That this is me, this is who I am  
I know what you\* think, crazy him  
I hope you understand  
That this is me, this is who I am  
That this is me, this is who I am

I know what it sounds like  
But it comes deep from my heart  
Something tells me the truth  
I've let my heart fall for you

I know what you\* think, crazy him  
I hope you understand  
That this is me, this is who I am  
I know what you\* think, crazy him  
I hope you understand  
That this is me, this is who I am

That this is me, this is who I am

That this is me, this is who I am

That this is me, this is who I am
