I feel it in my fingers
I feel it in my toes
Love is all around me
And so the feeling grows

It is written on the wind
That's everywhere I go
So if you really love me
Come on and let it show

You know I love you
I always will
My mind's made up
By the way that I feel

There's no beginning
There be no end
Cause on my love
You can depend

I see your face before me
As I lay on my bed
I kind a get to thinking
Of all the things we said

You gave your promise to me
And I gave mine to you
I need someone beside me
In everything I do

You know I love you
I always will
My mind's made up
By the way that I feel

There's no beginning
There be no end
Cause on my love
You can depend

It is written on the wind

Thats everywhere I go
So if you really love me
Come on and let it show
Come on and let it show
Come on and let it show
Come on and let it show
Come on and let it show
Come on and let it show
Come on and let it show
Come on and let it show
