Title: Surprise

-----  
I came home the other night  
much to your surprise  
the blinds were down, the lights were dim  
and love was in your eyes

the table lit by candlelight  
a record playing low  
and from the room I heard a voice  
a voice I didn't know  
say, "I need you, I need you"

can you imagine how I felt?  
to know like someone else  
making love to you in there  
it should have been myself

I couldn't speak, I couldn't cry  
my heart was filled with pain  
and as I turned to walk away  
I heard his voice again  
say, "I need you, I need you"

I felt so sad, I had to take a walk outside  
to find out what went wrong and if I'd really tried  
to love you girl and be there whwn you really needed  
me  
in spite of what you'd done, I love you hopelessly

you've got such a pretty face  
that's why you appeal to him  
but he don't know you like I do  
'cause you say everything

you say that you love me  
now just look at what you've done  
'cause you've got one more in your arms  
the other on the run  
'cause I need you, i need you

I need you, I need you, I need you
