### "My Two Wives"

Overtaken from each side  
Temptation I can't deny  
Whispering in sweet demise is my two wives  
One says love and turn a cheek  
One says kill them while they sleep  
Both a promise I might keep to my two wives

The love they take, my heart can't break  
'Cause I don't feel a thing  
The choice I live, the life I give  
I don't feel a thing

Look things over through their eyes  
Babies breath or kitchen knives  
I can't tell which one will lie  
It's my two wives  
Sometimes they make perfect sense  
Their reward my consequence  
It's not me to my defense  
It's my two wives

The love they take, my heart can't break  
'Cause I don't feel a thing  
The choice I live, the life I give  
It don't mean a thing  
And all the words they say to me  
I don't mean a thing  
The love they take my heart can't break  
'Cause I don't feel a thing
