She walked along,
Traced the ocean to the sky
Undertow took control
Now she's leaving with the tide
And it is days away the memories she sold
They all come back to haunt her
Now in a world she can't control

Hold on real tight
Enjoy the ride
She knows there's no erasers
No feeling safer

And we all have a place to go
When we can't stop the bleeding

Time moves so slow
When you're out here in the dark
Lost again need a friend
Not a traitor of the heart
And it is free from love
And wicked by design
Crossed eyes cynics cast their judgements
Waiting to decline

Hold on real tight
Enjoy the ride
She knows there's no erasers
No feeling safer

And we all have a place to go
When we can't stop the bleeding
As we fall far from what we know
Now we can't keep believing

Wish you could run away,
Wish you could run away
Wish you could run away,
Wish you could run away

She scratched and clawed

Till her nails were raw but
It's not our problem
It's not our blood on the wall

Hold on real tight
Enjoy the ride
She knows there's no erasers
No feeling safer

And we all have a place to go
When we can't stop the bleeding
As we fall far from what we know
Now we can't keep believing
