I'm left without good-byes. Lost within your lies  
Left without your reasons why. Lost inside my hopeless  
mind

You were the one, the one that I gave my love  
and it was you who just threw it away, my love

#### CHORUS

You took the love that's living in me with all the dreams  
I want us to be  
and left a lonely heart in misery. Just memories of your  
love

You took the light that lives inside of me  
with all the hopes I thought could really be  
And left a lonely heart in misery, painful memories you  
took it all from me  
You've broken my heart
