I see the mask on the face you try to hide
I get all dressed up in my sexy suicide
This fear that bleeds inside
Soaks you to the bone
What's the use in saving
If you can't save your own, so...

Go hide your virgins man
Say a prayer for good luck
Cause I keep their secrets
And boy they love to fuck

You gaze upon me
As hate drips from your eyes
I feel no consequence
In spite of my demise, so...

Call for your savior
As he hangs on your wall
What's the use in saving
If you can't save them all, so...

Go hide your virgins man
Say a prayer for good luck
Cause I keep their secrets
And boy they love to fuck

So go hide your sons away
Keep them sheltered from free will
Cause I keep their secrets
And boy do they love to kill

We're coming around this time,
We won't be denied
We're coming round this time

Go lock your sons away
Keep them sheltered from free will
Cause I keep their secrets
And boy they love to kill

Go hide your virgins man

Say a prayer for good luck
Cause I keep their secrets
And boy they love to... ah fuck

Choose your illusion (Repeat)
