Well come and see how they look so fine
So purge your mind and stand in line
You could have it if you'd only try
Step right up and please the eye
Here we are in the wake of the world
I can see that it shouldn't matter
I don't want to waste your love
I can't complete I'm a fashion disaster
You better be dressed to kill
You better be dressed to kill
You better be dressed to kill
You better be dressed
Some cry love and do their drugs with
Massive sex appeal
But you gotta get up if you came to get down and
You better be dressed to kill
To live real fast and grab the cash some do it for
The thrill
By ya gotta get up if you came to get down and
You better be dressed to kill
You better be dressed to kill
You better be dressed to kill
I was young when I walked away
A commercial for everything I hate
You could to don't be afraid
Life's what's lived it's not what's made
Here we are in the wake of the world

I can see that it shouldn't matter
I don't want to waste you love
I can't complete I'm a fashion disaster
You better be dressed to kill
You better be dressed to kill
You better be dressed to kill
You better be dressed
Some cry love and do their drugs with massive
Sex appeal
But you gotta get up if you came to get down and
You better be dressed to kill
To live real fast and grab the cash some do it for
The thrill
Be ya gotta get up if you came to get down and

You better be dressed to kill
You better be dressed to kill
You better be dressed to kill
So purge your mind, so stand in line
So purge your mind, so stand in line
Here we are in the wake of the world
I can see that it shouldn't matter
I don't want to waste your love
I can't complete I'm a fashion disaster
You better be dressed to kill
You better be dressed to kill
You better be dressed to kill
You better be dressed to kill
