Love like a riot
Love like a riot
Love like a riot
Love like a riot
Whoo!

I've got no plans for the idiots excess
Your mind grieves but our hearts say fuck yes
And now you're at your home living black and white
No end to the day in sight

Fear breeds inside me

Oh they can hide a while
In tinted glasses and plastic smiles they got
Oh we're not left behind
They can fake it but we don't mind

We want sex like violence
Pure defiance
We can't hide it
We need
Love like a riot

Can't waste my time on a miseducation
The decay of a dead temptation
A primal urge inside our primitive minds
A calling we no longer deny

Fear breeds inside me

Oh they can hide a while
In tinted glasses and plastic smiles they got
Oh we're not left behind
They can fake it but we don't mind

We want sex like violence
Pure defiance
We can't hide it
We need
Love like a riot

Oh they can hide a while
In tinted glasses and plastic smiles they got
Oh we're not left behind
They can fake it but we don't mind

We want sex like violence
Pure defiance
We can't hide it
We need
Love like a riot
