I know your eyes have cried,
Too many tears and, I know,
You've thought sometimes,
You'd be better off alone
But I'm not those other guys,
I know what I found when I found you,
So climb in and let me show you what a real love can
do,
'Cause some things last forever,
So c'mon baby, let's go down together

Like Willie's guitar,
Geronimo's rifle,
I'll hold you steady,
As Billy Graham's bible,
I can promise you now,
Our love will last,
Baby your heart is in good hands

I know you're hungry for,
Something that'll take your breath away,
And I'm here to help you find it,
Put a smile back on your face,
Roll down life's highway,
With the freedom of a song,
We'll fight for what we believe in,
And keep our faith strong,
Cause sometimes a love like this,
Can make a man, twice the man he is

Like Willie's guitar,
Geronimo's rifle,
I'll hold you steady,
As Billy Graham's bible,
I can promise you now,
Our love will last,
Baby your heart is in good hands

When they write our life story,
We'll go out, in a blaze of glory

Like Willie's guitar,
Geronimo's rifle,
I'll hold you steady,
As Billy Graham's bible,
I can promise you now,
Our love will last,
Baby your heart is in good hands
Baby your heart is in good hands
