Wake up, find me around x2
These break ups from lying, your destinys dying down
So deal with it nicely before your life hits the ground
cos..

I dont no who i am x2
So baby ill stay with you
Just let me guide you through
Promise ill write to you
every month x2

Wake up, find me around x2
Your always addicted to things that mean nothing to
me
But now im addicted it just leads to jelousy
cos...

I dont no who i am x2
So baby ill stay with you
Just let me guide you through
Promise ill write to you
every month x2
every month, every month, every month i am here with
you,
every month i just have to chose x2
between...

Baby ill stay with you
Just let me guide you through
Promise ill write to you
every month x2
every x3
baby ill stay with you, baby ill be with you
baby ill talk to you, baby ill hold you
